# THEATRICAL PALOOZA CAMP

## Day 1

### “It’s a Theatre Thing”

Join Robyn Sharpe as she explores the world of theatre. You will learn basic aspects of theatre and just how amazing it is to be able to add it to your everyday life.

## Day 2

### “Yes Let’s!!”

Kiara Barrow takes us out of our comfort zone and encourages us to reach our full potential as characters in this fast moving, game playing day by simply saying the words YES LET’S!

## Day 3

### “I Have a Voice”

Inside every little person is a voice. Tory and Leslie Poole, Lyndsey Dearlove and Krystal Saul are here to help bring out that voice in a day of singing and vocal exercises!

## Day 4

### “Round #4. FIGHT!”

Mackenzie Williams takes the lead in a stage combat class. Ever wonder how they do it in the movies? With this class you will learn fighting and defending techniques. Perfect for tricking your audience!

## Day 5

### “That’s a Wrap!”

Jami Cullen and John Sherman take every aspect of theatre and put them all into a short performance on the final day. This day will touch base on every lesson throughout the week and will teach basic technical theatre as we stage our final performance for family and friends
